

CONTROLLING EVENTS

We monitor everything during the sampling of our dies. We make sure every variable is checked, leaving nothing to chance.

GROWING TOGETHER

We want to be a trusted partner and a benchmark of reliability.

We offer a complete service, collaborating closely with our customers from co-design to serial production.

BREAKING THE RULES

We understand the traditional principles of design, but we've decided to rewrite the rules. We can predict the future performance of each die and create different configurations to extend its lifetime. At Costamp, the future is called PuzzleDie®.
