Exhibition on Melting and Metallurgical Technology, Equipment & Supplies

17-19 May, 2012

Hall 5, Bombay Exhibition Centre, Mumbai, India

Co-organisers:

**THE INSTITUTE
OF INDIAN
FOUNDRYMEN**
(Greater Mumbai Chapter)

The Materials
Information Society
India Chapter

**Everything
Material.**

Concurrent to:

**MeltMetech
Congress 2012**

koelnmesse

Koelnmesse YA Tradefair Pvt. Ltd.

"India" - Land of Business Opportunities

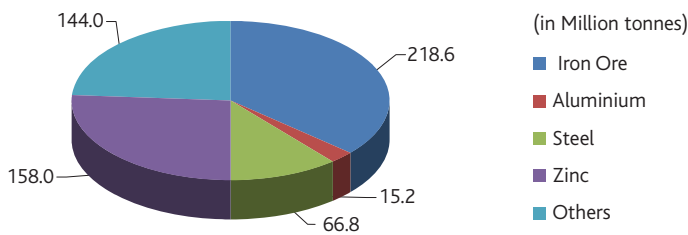

Population	: Over 1.2 billion
Land Area	: 3.29 million sq km
GDP	: Over US\$ 1200 billion (at Market Exchange rate)
GDP Growth	: ~ 8%

Metal Industry Scenario... India

- ◆ Largest producer of Sponge Iron
- ◆ 2nd largest producer of Forgings in the world
- ◆ 2nd largest producer of Castings in the world
- ◆ 3rd largest producer of Coal, Lignite and Bauxite
- ◆ 5th largest producer of Steel and Manganese Ore
- ◆ 7th largest producer of Zinc
- ◆ 8th largest producer of Aluminium

Metal industries are an indispensable part of any economy and form the backbone of industrial development of the country.

India's Production of metals

The trade fair

With the growing need of the automobile, infrastructure, engineering and construction sector in the country and the global demand of the metal sector, the apex industry associations, namely; Indian Institute of Foundrymen (Greater Mumbai Chapter), ASM International (India Chapter) jointly with Koelnmesse YA Tradefair Pvt. Ltd. have taken the initiative to bring to you "MeltMetech" – Exhibition on Melting & Metallurgical Technology, Equipment & Supplies, during May 17 - 19, 2012 at Bombay Exhibition Centre, Mumbai, India, to showcase the latest developments in the metal and melting industry and bring together the state-of-the-art technologies, products and services.

Why you should exhibit

- ◆ Exhibition continues to be a unique platform to showcase your products and reach to the targeted clientele worldwide.
- ◆ First time ever the industry associations along with Koelnmesse YA Tradefair Pvt Ltd bring together the Foundrymen, Metallurgist and Material Technocrats from India and overseas under one roof.
- ◆ India has become one of the major sourcing hub for the foundry, die-casting and allied sector.
- ◆ Witness the latest technology in foundry, melting and material science.
- ◆ To cater to the growing domestic demand from the automobile, engineering, infrastructure and construction sector.
- ◆ Concurrent technical conference addressing the latest developments in foundry, die-casting, melting and material science.
- ◆ Unique platform to meet the Who's Who of the industry.

Exhibitor Profile

- Furnaces & Accessories
- Heating Technologies
- Smelting
- Heat Treatment and Drying
- Metallurgical Equipment & Technology
- Metallurgical Plants & Rolling Mills
- Welding, Cutting & Joining Technology
- Surface Treatment, Coating & Paints
- Measuring, Testing, Process Control Instruments
- Material Handling
- Environment Control
- Research & Development
- Information Technology (IT)
- Trade Associations & Publications
- Training & Education
- Safety Equipments

Be there where decisions will be made...

MeltMetech is the key business platform for the Indian metallurgical Industry where leading buyers & managers responsible for making decisions make it a point to visit.

Visitor Profile

- Buyers / Sourcing Personnel from
 - Metal Industry
 - Automobile Industry
 - Engineering Industry
 - Defense & Aerospace
- Technology Suppliers and Technology Seekers
- Trade Delegations
- Government Officials
- Investors and Promoters
- R & D Institutions
- Consultants

About the Co-organisers:

**THE INSTITUTE
OF INDIAN
FOUNDRYMEN**
(Greater Mumbai Chapter)

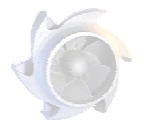

The Institute of Indian Foundrymen (IIF), GMC - IIF is India's premier association to promote education, research, training and development to Indian Foundrymen and to serve as a nodal point of reference between the customers and suppliers of the Indian foundry industry on a global scale. Today it has an enviable national spread of four regional branches and twenty seven chapters. Its current membership numbers over 3200 inclusive of Fellows, Members, Life Members, Company Members etc. IIF is affiliated to the Confederation of Indian Industry (CII), New Delhi and the World Foundry men Organization (WFO), U.K.

**The Materials
Information Society**
India Chapter

**Everything
Material.**

ASM International (ASM), India Chapter - ASM is Everything Material, the society is dedicated to serving the materials science and engineering profession. Through their network of 36,000 members worldwide, ASM provides authoritative information and knowledge on materials and processes, from the structural to the nanoscale. ASM provides the largest database on materials in the world.

MeltMetech 2012 in brief

Date	May 17-19, 2012
Time	May 17-18, 2012 - 10:00 am to 6:00 pm May 19, 2012 - 10:00 am to 4:00 pm
Venue	Hall No.5, Bombay Exhibition Centre, Mumbai, India
Schedule	Assembling: May 15, 2012 Show: May 17-19, 2012 Dismantling: May 19, 2012 (from 4 pm onwards)
Admission	Trade and business visitors only.

MeltMetech Congress 2012

MeltMetech Congress 2012 will be organised concurrent to the exhibition, being organized by these renowned bodies (IIF,ASM) during 17-19 May, 2012; which will be represented by leading Industries, Government official, Technocrats and other expertise, to attract over 400 delegates in this conference.

Conference Committee Members:

Mr. Pradeep Goyal, Chairman, MeltMetech Congress 2012
09821209190, pradgoyal@gmail.com

Mr. Natvar Desai, Co-chairman, MeltMetech Congress 2012
09821351011, pndesai@vsnl.com

Mr. Prem Kumar Aurora, Secretary, MeltMetech Congress 2012
09322846578, premaurora@yahoo.co.in

Mr. Jayant Shah, Jt. Secretary, MeltMetech Congress 2012
09867181125, jayantshah69@gmail.com

Mr. Rajendra Kinariwala, Convener, MeltMetech 2012 - Exhibition
09820281681, rks@bom8.vsnl.net.in
