EXHIBITOR MANUAL

**cast india
expo**

JANUARY 29 - 31, 2016

WELCOME NOTE

Dear Exhibitor,

Welcome to IFEX 2016 & Cast India Expo 2016!

This is your personal copy of the Exhibitor Manual, which has been carefully compiled to assist you in your preparation for the event. We recommend a careful study of its content to ensure that IFEX 2016 / Cast India Expo 2016 will be a successful experience for your company. The manual will provide you with information required for the preparation of your exhibition stand, general guidelines and useful addresses are also included.

The Contents page lists every individual forms included in the manual and shows you which forms are compulsory to return. The other forms are for your attention and completion as per your requirement.

We highly recommend that you complete and return the forms before the deadline of **December 23, 2015** to ensure that the forms / services you require are all duly received and processed. This is to allow us to fully assist you in your stall preparation thereby reminding you, if necessary, to send in any possibly missing orders in time.

Please be reminded to send in all your required order forms by their stipulated deadlines so that we can ensure that the services you require are arranged before the exhibition. *Do remember to make a copy for your own reference.*

We look forward to meeting you at IFEX 2016 & Cast India Expo 2016.

Best regards,

The Organizing Team - IFEX 2016 & Cast India Expo 2016

4. ADMISSION :

● EXHIBITORS :

- ☞ Exhibitors may access the exhibition hall one hour before the show starts and half an hour after the show closes, on each day, to service their booths and equipment, during exhibition days.
- ☞ Approval should be obtained from Koelnmesse YA Tradefair for working or entry, other than the prescribed hours.
- ☞ Children below 18 years are not allowed.

● CONTRACTORS :

- ☞ All contractors other than the official contractors are requested to sign a performance bond guaranteeing their observance of regulations laid down by Koelnmesse YA Tradefair. Only after this will admission passes be issued for carrying out the assembly and dismantling.
- ☞ **For Raw Space Stalls the plan / drawings have to be submitted for approval to organiser (please submit three copies of the drawings, with all views) one month prior to the start of the event.**
- ☞ Prior information has to be given to organiser if any exhibitor is planning for a stall design with the height of more than 2.5 mt. latest by December 23, 2015.

5. EXHIBITION HALL SPECIFICATION :

Hall height available	Maximum height available in the hall - 5.5 mts
	Maximum permissible height for custom stand construction - 4 mts.
Floor loading capacity	<u>5 ton per sqm</u>

6. ELECTRICITY, WATER & COMPRESSED AIR :

● ELECTRICITY :

- ☞ Supply voltage : Single phase, alternating at 220 V, 50 Hz ($\pm 15\%$).
 Three phase, neutral alternating at 415 V, 50 Hz ($\pm 15\%$).
Exhibitors must inform the organiser about their power requirements by filling up the relevant form. **Please refer Form 07 & Form 08.**
- ☞ Exhibitors requiring different voltages and frequencies or special connections to equipment must arrange for their own transformers, converters or boosters.
- ☞ **Fluctuations mentioned are only for reference. Exhibitors with SENSITIVE EQUIPMENT should make arrangements for a stabiliser. Organiser cannot guarantee uninterrupted power supply. Any failure in regular power supply during the exhibition or during the installation, due to technical or unforeseen reasons, will not qualify for refund of money or any act of omission.**
- ☞ Supply of electricity will be switched off, at source, 30 minutes after the show closes each day. Only specially installed 24 hrs connection will remain on.
- ☞ All the electrical contractors / stand contractors should make sure all the electrical wires are properly consoled.
- ☞ Only licensed electrical contractors can carry out work at stands (copy of their license to be submitted at the organiser office). They should also submit a completion report and file it at the organiser office, after completion of all wiring and connections. Actual connected load for all machines and equipment are to be mentioned. Accessibility for operations and repairs are to be maintained. Main supply point will not be covered. Please use approved equipment and wiring for operational safety. These will be inspected by the electrical engineer appointed by organiser and only after this approval will power be released.

JANUARY 29 - 31, 2016

- ☞ All electrical installation and equipment will comply with the Government of India regulations. Only organiser is authorised to make the electrical mains installation work.
- ☞ The rates for power consumption are understood for show days and one day prior to opening, including testing. Exhibitors may apply for temporary power load, at an extra cost. Please refer **Form 08**.

● **COMPRESSED AIR:**

- ☞ For special requirement, exhibitor can use their compressor outside the exhibitor hall, the cost for the same will be borne by exhibitor. This is restricted when compressed air supplied by **organiser is not useful to exhibitor. Please refer Form 11**

7. EXHIBITOR - STAND CONDITIONS

- ☞ Exhibitor's booth must be fully manned during the show time. Exhibitors are not allowed to participate in any other activities, which can cause any problem to visitor / other exhibitor.
- ☞ All activities of the Exhibitor and his staff must be confined to the booth only. No advertising/ canvassing is allowed elsewhere in the exhibition area.

8. WORKING EXHIBITS & DEMONSTRATION :

☞ **SAFETY FIRST**

- ☞ Following measures must be strictly observed, failing which organiser reserves the right to terminate the operation and demonstration of the working exhibits. Please note that this is done to avoid damage or injury, in the interest of safety.
 - ☞ Inform the organiser in writing of any working machinery to be exhibited, with a brief description of its operation and the demonstration intended to be carried out.
 - ☞ Provide safety conditions and standards as per international norms.
 - ☞ Working exhibits to be fully manned.
 - ☞ Sound generated should not disturb or interfere other exhibitors.
 - ☞ If there is any form of effluence from the working of the exhibits, arrangements will have to be made for its disposal. No disposal of fumes and exhaust gases will be permitted inside the hall.
 - ☞ No environment polluting substances can be used in the exhibition hall like petroleum products, hazardous chemicals, etc.
 - ☞ Laser, X-ray, and smoke / fire emitting devices will be permitted only after approval from the Organiser and the local fire department. Please inform in advance of any such requirement.
 - ☞ In the event of any dispute between exhibitors, Organiser reserves the right to arbitrate.
- ☞ The following items are **not allowed** in this Exhibition :

a) Internal Combustion Engines	f) Welding
b) Radio-active substances	g) Inflammable Items
c) Hazardous or poisonous gases	h) Explosive items
d) Weapons or fire arms	i) Hot air ballons
e) Open flames	j) Neon lights
k) Working furnace & heating/melting equipments.	

JANUARY 29 - 31, 2016

9. LIABILITIES AND INSURANCE :

- ☞ Exhibitors should possess a valid insurance policy covering theft, damage to their machines / exhibits (before, during or after the exhibition), public liability, damage to property and effects personal injury, and any other such consequential risks with respect to their participation in this exhibition. In any case organiser will not be responsible for any kind of damage / theft to property of the exhibitor or injury to personnel representing exhibiting companies before, during or after the exhibition.

10. FIRE PRECAUTION :

- ☞ Exhibitors displaying exhibits, which require chemical / foam extinguishers, must arrange such fire fighting equipment in their booth at their own expenses.
- ☞ All passage must be kept clear. Aisles or back of booths shall not be used as storage space.
- ☞ Fire exits and access to fire fighting equipments shall be unobstructed.

11. DILAPIDATION :

- ☞ Exhibitors are responsible for the costs of making good or replacing any damages or dilapidation to the exhibition premises, whether caused by themselves, their agents, contractors or any other persons employed or engaged by them or their agents or contractors, on their behalf.

12. STAND CLEANING :

- ☞ Organiser will provide for general cleaning in the exhibition halls, which includes carpet / floor cleaning and refuse disposal, daily after the show closes. Exhibitors with lockable rooms are requested to place the waste paper baskets outside for collection, prior to their departure.
- ☞ The exhibitor is responsible for cleaning of his own stand, exhibits and displays.

13. PUBLICITY

- ☞ Any projection of cyber light or similar equipment must be kept within the stall limits. No part of the hall or other booths may be used for the same.

14. AUTHORITY ON THE PREMISES :

- ☞ In the event of any dispute on site, Koelnmesse YA Tradefair reserves the right to arbitrate. As the organiser, the decision taken by Koelnmesse YA Tradefair shall be final.

15. IN HALL FREIGHT HANDLING :

- ☞ **Only the officially appointed freight forwarder is permitted to work in Hall and handle the on site equipment.** You may use your forwarder to deliver the goods to the hall doors only. This regulation will be strictly enforced and is necessary for reasons of insurance, security, safety and control and for protection against damage to the exhibition.
- ☞ In the interest of an efficient, well coordinated move in and move out of goods, no private trucks, fork lifts or handling equipments (trolley, lift jacks etc) will be allowed inside the exhibition halls. All such equipments will be provided and controlled by the freight forwarder.
- ☞ Facilities for loading / unloading, unpacking / repacking, transportation of goods to booths, cargo handling equipment, skilled labour, removal and storage of empties will be available at the site through the official clearing and freight forwarding agency.

JANUARY 29 - 31, 2016

16. DELIVERY / REMOVAL OF EXHIBITS :

- ☞ **No delivery or removal of exhibits or other equipment during the exhibition open hours is permitted.** Such delivery, removal, replenishment of stocks may only be carried out before opening hours or after closing hours. Exhibitor have to obtain a **GATE PASS** from the Organiser to enable taking out of any material during or after the show.
- ☞ If the Exhibitor requires use of a forklift, truck or crane, then a layout, drawn to scale, should be supplied to the forwarder. This is in order to position all equipment, early during build up period, as entry of lifting equipment, after an advanced stage of construction, is difficult.

17. CONSIGNEE :

- ☞ All consignment must be shipped prepaid & consigned as per instructions from official freight forwarder. On no account should be cargo be shipped to any other party. Please contact the forwarder for the consignee details.
- ☞ Information on shipping for exhibitors (from page 11).

18. SECURITY:

- ☞ During the entire exhibition period, although official security guards will be provided by the organisers, exhibitors are responsible for the security of their exhibits, property, and personal effects. Any loss or damage shall be at their own risk. Please note, only the official security agency staff will be allowed to be hired (**for build-up & dismantling days only**) in case any exhibitor wishes to have an independent security for thier stand. Kindly fill in **Form 10** & Submit to avail of this facility.

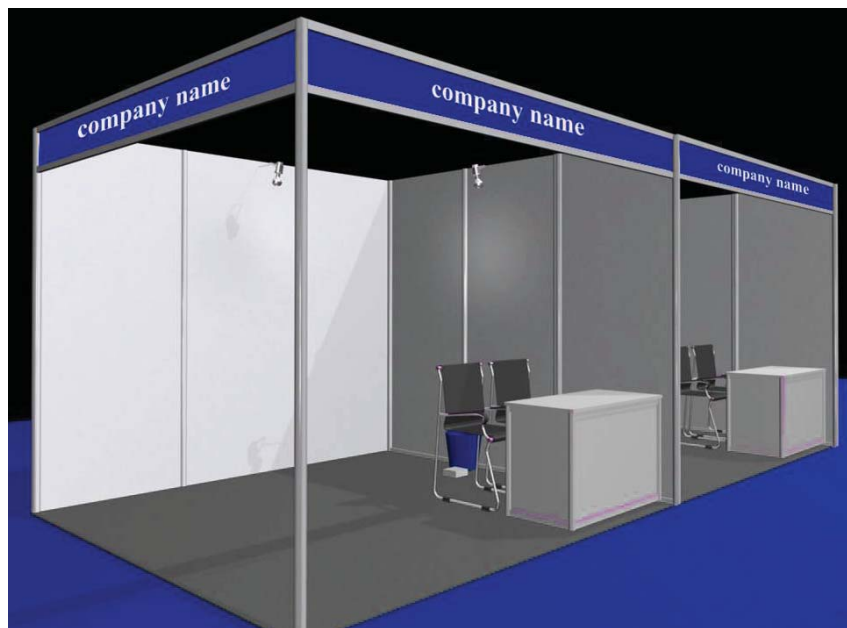

19. OTHER INFORMATION :

- ☞ **Photographs:** Stands, articles or any other areas within the exhibition complex may not be photographed, drawn, copied or reproduced without the written permission of organisers.
- ☞ **National & International Pavilions:** Organisers of group pavilions and national / international pavilions are responsible for ensuring that all exhibitors in their stand are fully aware of and agree to abide by the rules and regulations as laid down by the organisers.
- ☞ **Visa Applications:** All foreigners must obtain an entry visa before proceeding to India and for a visa application all exhibitors are required to have an Invitation Letter from the Organisers.
- ☞ **Custom Formalities:** The exhibition area is not a duty free zone. Exhibits arriving at the venue are therefore subject to normal customs procedure. Please contact our official freight forwarders for more details.
- ☞ **No Smoking:** Smoking is prohibited within the exhibition halls & toilets. The exhibitor shall be held responsible for any damage or loss caused by smoking in the exhibition area.
- ☞ **Parking for Exhibitors:** Exhibitors' personal vehicles can be parked only at the Exhibitor Parking Area, subject to the availability of parking space.
- ☞ **Business Center:** Exhibitors / visitors can avail of the facilities of the business center at nominal charges.
- ☞ **Call-a-Cab services:** Exhibitors could also avail of the call-a-cab service for local transportation in the city on the following numbers
 - a) +91-422-4567890 - Red Taxi
 - b) +91-422-2474747 - Abi Call Taxi
 - c) +91-422-4999599 - Connect Meter Taxi

20. Basic furniture entitlement for Shell Scheme stands

Item	Area in Sq. m.						
	9	12	15	18	27	36	54
Partition walls, Carpet-grey, Fascia, white lamina- -ted 330 mm high, with company name in English							
Counter	1	1	1	2	3	4	6
Chairs	2	2	3	4	6	8	12
Spotlights	3	4	5	6	9	12	18

Waste basket	1	1	1	2	2	2	3

These items are not interchangeable. You may opt for all or part of the items listed.

Guidelines for exhibitors on the rental of wall panels;

1. The organisers recommend no additions or any change to the Standard Shell Scheme. Should you do wish to do so, please contact the Organiser.
2. Do not spray, use glue or silicone on the stand panels.
3. Do not paint, spray-paint, or write on the stand panels.
4. Do not drill, nail, perforate, tack down, staple or cause any damage to the stand panels or any parts of the standard shell scheme stand. Should you need to affix any exhibit or sign to the stand panels, please use double sided adhesive tape or self adhesive vinyl prints or contact the Organiser.
5. For multiple stands, partitions in between the stands will not be provided, unless specifically requested.

Note: *In case of violation of the above rules, the official shell scheme stand contractor will be obliged to request the payment from exhibitor for any damage caused at the rate of INR (₹)2,500.00 per panel.*

Electrical: The official shell scheme stand contractor will only provide the basic electric supply. For additional power requirement beyond their allocated provision, please refer **From 07** in the exhibitors' manual to order the same.

JANUARY 29 - 31, 2016

INFORMATION ON SHIPPING FOR THE EXHIBITORS :

- ☞ Goods entering under the ATA Carnet will be exempt from guarantee requirements. Exhibitors are requested to ship their goods in sufficient time so as to avoid any delays in clearance. The word "RUSH EXHIBITION GOODS" on all packing materials will be helpful, particularly with rail traffic.
- ☞ Materials can be sent via ATA Carnet or Embassy Guarantee or Bank Guarantee. Exhibits can be cleared through Indian Customs without payment of Customs Duty, against any of these instruments.
- ☞ A facility for duty free temporary import of exhibits is available only to foreign exhibitors who remit the space rent in foreign exchange or Indian agents paying in equivalent Indian rupees.
- ☞ Detailed information on arrival deadlines, documentation, requirements, packing instructions and other relevant information for both Indian and foreign exhibitors can be obtained from any Official Freight Forwarder's office.
- ☞ Official Freight Forwarder will offer the exhibitors, information and assistance in respect of re-export. It is suggested that exhibitors discuss their requirements and enter into comprehensive arrangements.
- ☞ Handling of heavier exhibits cases will have to be entrusted to the approved agencies only. At the time of movement of exhibits, it is suggested that exhibitors adhere to the programme prepared by Official Freight Forwarder.

YOUR CHECKLIST TO THE SHOW :

- ☞ All forms have to be returned to the contact address given by **December 23, 2015**.
- ☞ Orders will be processed only upon receipt of full payment.
- ☞ Orders received after the deadline will attract a 30% surcharge. Further, these orders are also subject to availability.
- ☞ The Organisers will send a confirmation note / invoice upon receipt of the order. Please contact us if you do not hear within two weeks of placement of order.
- ☞ Cancellation of orders on site will not be entertained and the full price shall apply.
- ☞ All items offered are on rental basis, inclusive of delivery, installation, standby maintenance and removal. Exhibitors will be liable for items ordered, upon delivery until return.
- ☞ The price mentioned in the manual is exclusive of tax. Taxes applicable will be paid by the exhibitor.

CATALOGUE ENTRY FORMS, PRODUCT INDEX
&

ADDITIONAL ORDER REQUEST FORMS

Kindly Complete and Return by December 23, 2015

CONDITIONS FOR CATALOGUE ENTRY

Paper size:

210mm. height, 125mm. width

Language:

English

Type Area:

182mm. height, 100mm. width: 1/1 page

Printing system:

Offset printing, cover multicolor, content single color

Printing documentation:

Complete artwork in a CD with progressive color proof. According to the **Conditions of Participation**, an entry for each exhibitor as well as for each represented firm is obligatory. This obligatory entry contains 4 lines and two product indexes. Exhibitors who have not submitted their order forms within the stated time will be entered in the catalogue on the basis of the information available to the organizer of the exhibition, without any guarantee of correctness.

General Conditions:

1. Any verbal agreements made when placing orders for advertisements must be noted on the order form.
2. Orders for entries in the catalogue are not confirmed by the publishing house.
3. The management of the exhibition and their authorized representatives are entitled to refuse the acceptance of orders without giving reasons.
4. Orders can only be ceded to third persons if the organizers are in agreement.
5. The tariff for entries cannot include the costs for graphic work or for the execution of photos or films. If such work is necessary due to the execution of an order, it will be calculated separately. Furthermore the firm placing an order can be charged with costs resulting from considerable modifications of orders originally agreed upon.
6. All insertions can be published correctly if perfect and undamaged documents, films, etc. are provided to the publishing house.

7. All publishing materials, which are not claimed, will be kept by the Organiser for two months.
8. No guarantee of adherence to space regulations are given unless the additional charge provided therefore in the advertising charges are paid. In the event of accidental nonpublication of an advertisement or insertion, partial or complete illegibility, incomplete printing, as well as in the event of incorrect placing or giving of incorrect hall and stand numbers, the order can make no claim to compensation. Errors in an insertion do not entitle the firm placing the order to refuse payment for another insertion for which payment is due.
9. Copy proofs of insertions are not forwarded. Please use standardized order form for insertions.
10. Only the number of lines actually printed in the catalogue will be calculated and not the manuscript as mentioned on the order form.

TERMS OF PAYMENT

1. Payment to be made along with the duly filled in forms.
2. Force majeure etc. releases the agent from payment within the framework of the obstruction that has arisen.
3. No commission is payable to any advertising agency employed.
4. All payments to be made through DD / Cheque in favour of **Koelnmesse YA Tradefair Pvt. Ltd.** payable at Mumbai or by Bank Transfer to **Koelnmesse YA Tradefair Pvt. Ltd.**

CATALOGUE ENTRY FORM (ADDITIONAL INFORMATION)

FORM 02

Kindly complete and return by December 23, 2015

Return to : Dheeraj Reddy, Asst. Project Manager; **Koelnmesse YA Tradefair Pvt. Ltd.**
6-3-885/7/B, 1st Floor, V.V. Mansion, Rajbhavan Road, Somajiguda Circle, Hyderabad - 500082
Tel : +91-40-42218914; Fax : +91-40-66684433; d.reddy@koelnmesse-india.com

Exhibitor : _____ Stand#: _____ Contact: _____

In accordance with the conditions stated overleaf and cost mentioned herein below, which we/I accept herewith, we order the following additional entry in the index of products / logo / profile.

A) **Additional Product Index No. :** _____

B) **With company logo** **Without company logo**
(Soft copy of the logo in tif/eps formats
for company logo to be provided by the exhibitor)

Additional Product Index entry cost
Rs.5,000/- or Euro 90 per entry.

Cost of Logo (Single color) in Catalogue
entry Rs.1000/- or Euro 20

Cost of Product / Profile entry in catalogue
Rs.50/- or Euro 1 per word.

ADDITIONAL INFORMATION

C) **Product / Company Profile** (Append extra sheet if necessary)

D) Payment Calculations	Amount (in Rs)	Amount (in Euro)	TOTAL
1) Total product index numbers	x 5000	x 90	
2) Company Logo (Single Color)	x 1000	x 20	
3) Total number of words	x 50	x 1	
		Sub-Total	
		Service Tax* @ 14%	
		TOTAL	

* Subject to be changed as per government norms.

In submitting this application for catalogue entry, the exhibitor agrees to all points of the conditions for catalogue entry of Organiser and confirms to have received them. Undersigned is the duly authorised signatory of the exhibitor / co-exhibitor as mentioned above.

- ☞ **All payments to be made through DD / Cheque in favour of Koelnmesse YA Tradefair Pvt. Ltd., payable at Mumbai or**
- ☞ **by Bank Transfer to Koelnmesse YA Tradefair Pvt. Ltd. A/c No. 002-812808-001; IFSC Code. HSBC0400002; Our Swift Code is : hsbcinbb 002-812808-001 Address : The Hongkong and Shanghai Banking Corporation Ltd., 52/60, M.G. Road, Fort, Mumbai - 400 001, India**

JANUARY 29 - 31, 2016

5.2.3	Waterglass process, equipment	6.2.3	Synthetic resin binders for gassing processes	7.2.1	Sand reclamation of clay bonded moulding sands
5.2.4	Lost-foam process, equipment.	6.2.4	Synthetic resin binders for thermosetting processes	7.2.2	Sand reclamation of sodium silicate and cement bonded sands
5.2.5	Vacuum moulding process, equipment.	6.2.5	Sodium silicate binders	7.2.3	Sand reclamation of synthetic resin bonded sands
5.2.6	Investment casting processes, equipment.	6.2.6	Cement binders	7.2.4	Crushing and grinding plants for used sand
5.2.7	Moulding machines and plants other processes.	6.2.7	Binders for investment casting		
		6.2.8	Moulding sand binders, others		
5.3	Core making machines and plants.	6.3	Moulding sand additives, coatings for moulds and cores	8	Moulding auxiliaries
5.3.1	Core blowing and shooting machines and plants.	6.3.1	Lustrous carbon formers	8.1	Pneumatic rammers
5.3.2	Core making machines, other.	6.3.2	Moulding sand additives, others	8.2	Moulding auxiliaries, general
		6.3.3	Mould and core coatings	8.3	Foundry tools
5.4	Moulding and core making machines, accessories.	6.4	Moulding sands ready-to-use	8.4	Mould and core adhesives
5.4.1	Gassing equipment for moulds and cores.	6.4.1	Precoated sands for shell moulding	8.5	Cores, prefabricated
5.4.2	Dosing devices for binders and additives.	6.4.2	Betonite-bonded sands ready-to-use, waterless	8.6	Chaplets
5.4.3	Mould handling equipment.	6.4.3	Moulding sands ready-to-use others	9.	Gating and feeding
5.4.4	Core handling equipment	7	Moulding sand preparation and sand reclamation	9.1	Covering compounds for feeders
5.4.5	Core treatment equipment (deflashing, coating, drilling) core glueing equipment.	7.1	Moulding sand preparation	9.2	Breaker cores
5.4.6	Automated core/mould manipulation systems	7.1.1	Moulding sand preparation machines and plants	9.3	Filter elements for liquid
5.4.7	Coating preparation	7.1.2	Moulding sand mixer	9.4	Exothermic materials
5.4.8	Moulding and coremaking machines, other accessories	7.1.3	Crushing and grinding plants	9.5	Cooling elements
5.5.	Moulding boxes and accessories	7.1.4	Magnetic separators	9.6	Strainer cores
6	Moulding sands	7.1.5	Measuring and control equipment for moulding sand preparation	9.7	Feeder sleeves
6.1	Sands	7.1.6	Sand coolers	9.8	Other auxiliaries
6.1.1	Silica sand	7.1.7	Sand aerators	10.	Casting machines and pouring equipment
6.1.2	Chromite sand and flour	7.1.8	Sand precoating plants (for shell moulding)	10.1	Pouring equipment
6.1.3.	Zircon sand and flour	7.1.9	Screening machines and installations (silos and hoppers see 15.7)	10.1.1	Pouring equipment, mechanical
6.1.4	Moulding sands with natural clay binder	7.1.10	Separators for chromite and silica sand, zircon and silica sand		
6.1.5	Sands, other	7.1.11	Moulding sand preparation, further equipment		
6.2	Moulding sand binders	7.2	Sand reclamation, plants and machines		
6.2.1	Bentonites and clays				
6.2.2	Synthetic resin binders for cold setting process

Exhibitor : _____ Stand#: _____ Contact: _____

HEAVY EXHIBITS : WEIGHT EXCEEDING 1500 kgs.

LARGE EXHIBITS : SIZE EXCEEDING 2 M x 1.5 M (L x W)

TALL EXHIBITS : HEIGHT EXCEEDING 2 M

Please note the following:

- ☞ *Machines in the above mentioned category must arrive in sufficient time for port clearances and reach the exhibition site on Wednesday 27th January, 2016 by 8:00 a.m. If such machines arrive after the scheduled dates, it would be difficult to allow entry into site as access may be obstructed due to stand construction.*
- ☞ *All machines onsite will be handled by the official freight forwarder. This applies without exception.*
- ☞ *Exhibitors with heavy exhibits are to refer to the floor loading capacity and must provide stell plates for load spreading, if necessary. Please do not overload the floor loading capacity.*
- ☞ *Kindly work in coordination with the freight forwarder and the Technical Manager to avoid any last minute hassles, regarding your exhibits. Your freight forwarder will be allowed to bring in the equipment till the gates of the hall.*
- ☞ *Filling this form is mandatory for bringing in large exhibits.*
