17 18 October. Águeda. Portugal

Bringing Automotive & Foundry Together

I would like to welcome you to attend to the 2nd edition of the Foundry on Wheels Congress.

The congress aims to debate the alignment of R&D strategies for the automotive and foundry industries.

The topics for this year are dedicated to Advanced Materials and Technology, Product Development and Body in White.

As usual, we have a special attention in showing the best work being done in Startups, Universities and Research Centres.

The number of attendees is limited and registration is by invitation only (250€ + VAT).

I am pleased to invite you to learn the programme we are preparing for you and register here @www.citnm.pt

Kind Regards,

Vitor Anjos CITNM General Manager
