**ABP Induction invites you to the
16th International Customer
Conference**

**being held in Dortmund from 30th September
to 2nd October 2009.**

ABP Induction – the merger of know-how and burning passion.

Invitation
to the 16th International Customer
Conference being held in Dortmund from
30th September to 2nd October 2009

Please send us your registration – via fax
or e-mail – by 4th September 2009.

Many years of experience in induction technology merge with burning passion for the success of our customers under the name of ABP Induction. They form the basis for our unique range of products and services worldwide concerning melting and casting.

We are inviting you to experience new automated solutions at a pioneering level and discuss them with specialists, suppliers and manufacturers from all over the world while doing so.

International experts will inform you about the latest technologies and developments in our informative and varied programme of lectures, workshops and visits; with exhibitions by partners and discussions on the podium.

Be our guest! We are looking forward to welcoming you to our trade conference in Dortmund.

Excursion

WEDNESDAY
30th September 2009

9.00 a.m. – 6.00 p.m

Visits to the foundry

State-of-the-art melting and casting.
We will show you pioneering technology
with practical applications.

Partner program

THURSDAY
1st October 2009

9.30 a.m. – 6.00 p.m.

Discover the industrial culture route

We are inviting all escorts of our
conference's guests on a trip through the Ruhr
area's industrial culture. It begins in Dortmund's
harbour and leads via the Zeche Hohenzollern
with the Westphalian Industrial Museum to Villa
Hügel, which is the residence of the industrial
family Krupp.

The tour continues via the workers' residential
estate of Margarethenhöhe and the gasometer in
Oberhausen – with a view over the Ruhr area from
an altitude of almost 118 m – to the North
Duisburg landscaped park with its imposing back-
drop of derelict blast furnaces.
