NOTICE TO EMPLOYEES REGARDING OWNERSHIP CHANGE

June 27, 2012

A purchase agreement within the Hunter family was concluded today. As a result of this transaction, I have acquired complete ownership of Hunter Automated Machinery Corporation and our foreign subsidiaries.

I will always be grateful to my father who revolutionized the foundry industry with the "Hunter" matchplate molding machine and who founded the company in 1964. I also extend my heartfelt thanks to my sisters, Dianne, Linda and Heather who worked with me to reach this agreement allowing us to keep the business in the family.
